

## **DRUG POLICY - STUDENTS**

---

### **Purpose**

Ohio Business College is committed to protecting the safety, health, and well-being of its employees and students and recognizing that abuse of alcohol and other drugs compromises this dedication. The Drug Policy of Ohio Business College is based on the goal of assisting staff and students to benefit from an alcohol/drug free lifestyle. Although Ohio Business College does not employ counselors, each campus does provide employees and students with guidance in obtaining assistance with problems resulting from the use and abuse of substances.

### **Campus Responsibilities**

- Annually, each campus provides all staff and students with Ohio Business College's Drug Policy.
- Each campus has available to all staff and students brochures and pamphlets on the effects of drug and alcohol abuse.
- Each campus has available the Crimes and Penalties on Federal, State, and Local Drug & Alcohol Violations.
- Each campus has available local agencies in which to direct staff and students for assistance.

### **Procedures**

- Should a student approach a staff or faculty member on problems they are having with drugs or alcohol, the student should be immediately referred to the Registrar. The Registrar will provide the student with the list of local agencies and their phone numbers. The Registrar should offer the student the use of their telephone to call the agency for assistance.

### **Criminal Record/Criminal Background Check and Drug Testing for Practical Nursing Students**

Criminal background checks and drug screens are intended to protect the public. Screening that provides documentation of previous criminal activities or are positive for illegal substances may prevent students from being placed in the clinical setting due to clinical site requirements. Inability to be placed in a clinical site will result in failure to satisfactorily pass the course and inability to progress in the program leading to dismissal of the student from the school of nursing.

All clinical students will complete a baseline national criminal background check prior to confirmed admission to the Practical Nursing Program. Students may be subject to additional background checks/fingerprinting/drug screens requested by individual clinical sites throughout clinical education assignments. Students are responsible for the cost of all background checks/drug screens. Students are also required to complete drug screens and are responsible for the cost of such.

\*\*\*NOTE: Drug testing, at the college's expense, will be required whenever a college personnel suspects or has reason to believe that a student might be engaging in the unlawful and/or inappropriate use of a controlled or illegal substance, or the inappropriate use or abuse of a prescription medication

### **Student Code of Conduct and Dismissal from School**

The following is an excerpt from the College section of Student Code of Conduct pertaining to the Drug Policy. Failure to comply with policy and procedure statements as outlined in this and other college publications may result in a student's dismissal from school. Each student who attends Ohio Business College is an adult and is expected to behave accordingly. Recommendations for employment through Career Services are based on scholastic records, attendance, and conduct.

Ohio Business College reserves the right to permanently dismiss any student for any of the following reasons or any other reason as determined by the Campus Director to protect the interest of all students, faculty, staff, and property:

- ◆ Use, possession, sale, or distribution of marijuana, alcohol, narcotics, or dangerous drugs, except as expressly permitted by law, on college property at any time. Drug testing, at the college's expense, will be required whenever a college personnel suspects or has reason to believe that a student might be engaging in the unlawful and/or inappropriate use of a controlled or illegal substance, or the inappropriate use or abuse of a prescription medication
- ◆ Drunken or disorderly behavior on college property or at functions sponsored or supervised by Ohio Business College.
- ◆ Conduct deemed unlawful by the criminal statutes of the State of Ohio or the United States of America and conduct that endangers or threatens the security of Ohio Business College or the community.

### **Biennial Review**

The College conducts a biennial review of its drug and alcohol prevention program at the end of the 2021/2022 Award Year and determined that the program is adequate. There were no drug or alcohol related violations that occurred on the College's campuses or as part of any of the College's activities and therefore, there were no sanctions imposed.

# **DRUG-FREE SCHOOLS AND COMMUNITIES ACT OF 1989**

Ohio Business College complies with the Drug-Free Schools and Communities Act of 1989, Public Law 101-226, which requires that as a condition of receiving funds or any form of federal program, the institution of higher learning must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and/or alcohol by its students and employees.

Ohio Business College will provide its students and employees a learning environment free of drugs and alcohol. All students and employees must comply by the policies, procedures, and federal regulations imposed by the Ohio Business College.

Ohio Business College will provide drug-free awareness programs to its students and employees through assemblies, workshops, memos, and drug-free literature provided by the local drug abuse programs and treatment centers. Ohio Business College will post the names and addresses and telephone numbers of local drug/alcohol counseling centers and rehabilitation programs. Ohio Business College will support a student's and/or employee's decision to seek treatment for drug or alcohol abuse.

Students and employees are prohibited from the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance while on the Ohio Business College's property or while engaging in a school-sponsored activity (field trips, holiday parties, etc.).

The School Director reserves the right to dismiss a student from school or terminate an employee's position. Local authorities will be brought in to remove the student and/or employee from the premises. The student's re-entry into the school or the employee's rehire will be contingent on receiving drug counseling and treatment. Students and employees will be asked to provide written documentation to the School Director of the school that treatment has been received.

\*\*Effective July 1, 2006, a student loses eligibility for Title IV aid if they incur a drug-related offense for which the student was convicted occurred during a period of enrollment for which the student was receiving Title IV aid.

June 2004  
Revised September 2011

# Drug and Alcoholism Resources

**The following organizations and resources provide free, confidential assistance to individuals who have, or know someone who has, a problem with alcohol or other drugs.**

**Substance Abuse Treatment Locator:** [www.findtreatment.gov](http://www.findtreatment.gov) Phone: 1-800-662-HELP  
This Substance Abuse and Mental Health Services Administration (SAMHSA) Web site and toll-free phone line help individuals locate drug and alcohol abuse treatment programs in their communities.

**AlcoholScreening.org:** [www.alcoholscreening.org](http://www.alcoholscreening.org)  
This free, confidential Web site lets individuals privately assess their own drinking habits and receive personalized feedback to help them determine if they need help to change those habits. Individuals can also find out about facilities in their communities that offer drug and alcohol abuse treatment and consultations with qualified health professionals regarding alcohol problems.

**Al-Anon/Alateen:** Phone: (888) 4AL-ANON <https://al-anon.org/>  
Al-Anon provides information on the effects of alcohol abuse and refers friends and families of alcohol abusers to nearby support groups. Al-Anon's purpose is to help families and friends of alcoholics recover from the effects of living with the problem drinking of a relative or friend. Alateen is the organization's program for young people whose lives have been affected by someone else's drinking.

**Alcoholics Anonymous (AA)** Phone: 212.870.3400 [www.aa.org](http://www.aa.org)  
AA offers a way to stop drinking to individuals who feel they have a problem with alcohol. AA groups are located in most cities and rural communities throughout the country. Look up "Alcoholics Anonymous" in a local telephone directory for a contact in your area.

**American Council on Alcoholism** Phone: 205.989.8177 [www.acaap.us/home](http://www.acaap.us/home).  
This service provides referrals to alcoholism treatment programs nationwide and distributes written materials on alcohol abuse problems.

**Cocaine Anonymous** Phone: 310.559.5833 [www.ca.org](http://www.ca.org)  
Cocaine Anonymous provides support for people dependent on cocaine and other mind-altering substances. Callers are referred to local helplines.

**Nar-Anon** Phone: 800.477.6291 [www.nar-anon.org](http://www.nar-anon.org)  
This worldwide program provides support for friends and families of individuals with substance abuse problems.

**Alcohol Abuse Line** Phone: (800) 234-0420  
This (24 hour) helpline provides support and information for recovering drug addicts through referral to local helplines staffed by other recovering addicts.

Ohio Substance Abuse & Drug Addiction Hotlines 866-210-1303  
<https://nationalrehabhotline.org/ohio/>. Help 24/7.

# Federal Drug Penalties

DRUG/SCHEDULE	QUANTITY	PENALTIES	QUANTITY	PENALTIES
Cocaine (Schedule II)	500 - 4999 gms mixture	<b>First Offense:</b> Not less than 5 yrs, and not more than 40 yrs. If death or serious injury, not less than 20 or more than life. Fine of not more than \$2 million if an individual, \$5 million if not an individual  <b>Second Offense:</b> Not less than 10 yrs, and not more than life. If death or serious injury, life imprisonment. Fine of not more than \$4 million if an individual, \$10 million if not an individual	5 kgs or more mixture	<b>First Offense:</b> Not less than 10 yrs, and not more than life. If death or serious injury, not less than 20 or more than life. Fine of not more than \$4 million if an individual, \$10 million if not an individual.  <b>Second Offense:</b> Not less than 20 yrs, and not more than life. If death or serious injury, life imprisonment. Fine of not more than \$8 million if an individual, \$20 million if not an individual.  <b>2 or More Prior Offenses:</b> Life imprisonment
Cocaine Base (Schedule II)	5-49 gms mixture		50 gms or more mixture	
Fentanyl (Schedule II)	40 - 399 gms mixture		400 gms or more mixture	
Fentanyl Analogue (Schedule I)	10 - 99 gms mixture		100 gms or more mixture	
Heroin (Schedule I)	100 - 999 gms mixture		1 kg or more mixture	
LSD (Schedule I)	1 - 9 gms mixture		10 gms or more mixture	
Methamphetamine (Schedule II)	5 - 49 gms pure or 50 - 499 gms mixture		50 gms or more pure or 500 gms or more mixture	
PCP (Schedule II)	10 - 99 gms pure or 100 - 999 gms mixture		100 gm or more pure or 1 kg or more mixture	

### PENALTIES

Other Schedule I & II drugs (and any drug product containing Gamma Hydroxybutyric Acid)	Any amount	<b>First Offense:</b> Not more than 20 yrs. If death or serious injury, not less than 20 yrs, or more than life. Fine \$1 million if an individual, \$5 million if not an individual.
Flunitrazepam (Schedule IV)	1 gm or more	<b>Second Offense:</b> Not more than 30 yrs. If death or serious injury, not less than life. Fine \$2 million if an individual, \$10 million if not an individual
Other Schedule III drugs	Any amount	<b>First Offense:</b> Not more than 5 years. Fine not more than \$250,000 if an individual, \$1 million if not an individual. <b>Second Offense:</b> Not more 10 yrs. Fine not more than \$500,000 if an individual, \$2 million if not an individual
Flunitrazepam (Schedule IV)	30 to 999 mgs	
All other Schedule IV drugs	Any amount	<b>First Offense:</b> Not more than 3 years. Fine not more than \$250,000 if an individual, \$1 million if not an individual.
Flunitrazepam (Schedule IV)	Less than 30 mgs	<b>Second Offense:</b> Not more than 6 yrs. Fine not more than \$500,000 if an individual, \$2 million if not an individual.
All Schedule V drugs	Any amount	<b>First Offense:</b> Not more than 1 yr. Fine not more than \$100,000 if an individual, \$250,000 if not an individual. <b>Second Offense:</b> Not more than 2 yrs. Fine not more than \$200,000 if an individual, \$500,000 if not an individual.

DRUG	QUANTITY	1 <sup>st</sup> OFFENSE	2 <sup>nd</sup> OFFENSE
Marijuana	1,000 kg or more mixture; or 1,000 or more plants	<ul style="list-style-type: none"> <li>Not less than 10 years, not more than life</li> <li>If death or serious injury, not less than 20 years, not more than life</li> <li>Fine not more than \$4 million if an individual, \$10 million if other than an individual</li> </ul>	<ul style="list-style-type: none"> <li>Not less than 20 years, not more than life</li> <li>If death or serious injury, mandatory life</li> <li>Fine not more than \$8 million if an individual, \$20 million if other than an individual</li> </ul>

If death or serious bodily injury, life imprisonment. Fine not more than \$8 million if an individual, \$50million if other than an individual.</p>
<p>Marijuana 50 to 99 kilograms marijuana mixture, 50 to 99 marijuana plants</p>	<p><b>First Offense:</b> Not more than 20 yrs. If death or serious bodily injury, not less than 20 yrs. or more than life. Fine \$1 million if an individual, \$5 million if other than an individual.</p>
<p>Hashish More than 10 kilograms</p>	<p><b>Second Offense:</b> Not more than 30 yrs. If death or serious bodily injury, life imprisonment. Fine \$2 million if an individual, \$10 million if other than an individual.</p>
<p>Hashish Oil More than 1 kilogram</p>	
<p>Marijuana less than 50 kilograms marijuana (but does not include 50 or more marijuana plants regardless of weight)  1 to 49 marijuana plants</p>	<p><b>First Offense:</b> Not more than 5 yrs. Fine not more than \$250,000, \$1 million if other than an individual.</p> <p><b>Second Offense:</b> Not more than 10 yrs. Fine \$500,000 if an individual, \$2 million if other than individual.</p>
<p>Hashish 10 kilograms or less</p>	
<p>Hashish Oil 1 kilogram or less</p>	

# ABUSIVE SUBSTANCES

**STIMULANTS** (AMPHETAMINES, SPEED, uppers, black beauties, white cross, ice) Stimulants refer to many drugs that increase alertness and physical activity. They often are used to counteract the drowsiness or “down” feeling caused by sleeping pills or alcohol, or as a way to lose weight. Heavy use may keep an individual awake and active for extended periods of time, but will also make the user edgy, less coordinated and more likely to respond inefficiently to quick-response situations (i.e., driving).

## Symptoms of Abuse

- ✓ Mood elevations
- ✓ Loss of appetite
- ✓ Disorientation
- ✓ Sleeplessness (wakefulness)
- ✓ Irritability, argumentativeness

## Forms

Pills, capsules.

## Dangers

Addiction, paranoia, depression, possible hallucinations, fatigue leading to exhaustion.

**INHALANTS** (aerosols, ames, rush, correction fluid, glue, nitrates, gas tuelo, toluene) Inhalant abuse involves primarily glues, toxic solvents or hydrocarbon (gasoline). These substances are dangerous not only because of their effects on users, but many also are highly combustible.

## Symptoms of Abuse

- ✓ Odor of the substance on breath and clothes
- ✓ Excess nasal secretions, watery eyes
- ✓ Blue lips due to lack of oxygen
- ✓ Red irritation
- ✓ Slurred speech

## Forms

Aerosols, liquids.

## Dangers

Unconsciousness, suffocation, nausea and vomiting, brain and central nervous system damage, sudden death.

**MARIJUANA** (pot, dope, weed, grass, reefer, joint, hash, roach)

Marijuana, also a mind-altering drug, is made from the plant cannabis sativa. It affects many skills including safe driving techniques. The amount of the main mind-altering psychoactive ingredient, THC (delta-9-tetra-hydro-cannabinol), determines how strong its effect will be.

## Symptoms of Abuse

- ✓ Rapid, loud talking, bursts of laughter
- ✓ Altered perceptions
- ✓ Red eyes
- ✓ Dry mouth
- ✓ Reduced concentration
- ✓ Increase heart rate

- ✓ Unusual appetite (“munchies”)

## Forms

Dried tops and leaves of marijuana plant ranging in color from grey-green to green-brown; smoked in hand-rolled cigarettes or special pipes.

## Dangers

Addiction, impaired short-term memory, panic reaction, prolonged apathy.

**HALLUCINOGENS** (LSD, acid, PCP, mushrooms, peyote, mescaline)

Also called psychedelics, hallucinogens affect the user’s perceptions, sensations, thinking process, self-awareness and emotions. Some hallucinogens, such as mescaline, come from natural sources. Others, like LSD, are manufactured synthetically.

## Symptoms of Abuse

- ✓ Distorted senses of sight, hearing, touch, body image, and time
- ✓ Anxiety, panic
- ✓ Altered mood/behavior

## Forms

Capsules, tablets, “micro-dots,” blotter squares.

## Dangers

Addiction, violent and unpredictable behavior, flashbacks (LSD), emotional instability, psychosis.

**COCAINE** (crack, coke, rock, base)

Cocaine is a white powdery substance that acts as a central nervous system stimulant. Cocaine, at one time used as a local anesthetic, is now prohibited under drug abuse laws. It is generally sniffed and absorbed through the mucous membrane of the nose. It also can be injected intravenously or smoked in “freebased” form called crack.

## Symptoms of Abuse

- ✓ Brief, intense euphoria
- ✓ Elevated blood pressure and heart rate
- ✓ Feeling of well-being followed by depression
- ✓ Perceptual disturbances (hallucinations, delusions)
- ✓ Irritability, sleeplessness

## Forms

White crystalline powder, rock-like chips that resemble whitish gravel.

## Dangers

Addiction, seizures, heart attack, severe depression, paranoia, lung damage, sudden death.

**DEPRESSANTS** (barbiturates, sedatives, downers, ludes, Valium, alcohol)

Depressants affect the central nervous system and, in small amounts, are used to induce sleep, produce calmness or relax muscles, in high doses or when abused, many depressants can cause poor judgment and slow, uncertain reflexes. Large doses may cause unconsciousness or even death.

## Symptoms of Abuse

- ✓ Depressed breathing and heart rate
- ✓ Uncoordinated movements
- ✓ Staggering, stumbling

## Forms

Capsules, pills, alcoholic beverages (see Alcohol).

## Dangers

Addiction, possible overdose, muscle rigidity, potentially fatal withdrawal.

**NARCOTICS** (heroin, smack, junk, morphine, Demerol, Dilaudid)

Narcotics, or opiates, are used medically to relieve pain but have high potential for abuse. Some opiates are derived from the Asian poppy, including opium, morphine, heroine, and codeine. Others such as meperidine (Demerol) are manufactured synthetically. Heroin accounts for approximately 90 percent of the opiate abuse in the United States.

## Symptoms of Abuse

- ✓ Euphoria
- ✓ Constricted pupils (pinpoint)
- ✓ Needle marks on arms
- ✓ Watery eyes, runny nose
- ✓ Drowsiness

## Forms

Powders, capsules mixed with liquid and injected.

## Dangers

Addiction, weight loss, contamination from unsterile needles (hepatitis, AIDS), accidental overdose.

**ALCOHOL** (booze, beer, wine, liquor)

Alcohol, the most commonly abused mind-altering drug, is a sedative that can change the way a person acts and thinks. Because alcohol affects coordination and judgment, it is a factor in 50 percent of highway deaths in America.

## Symptoms of Abuse

- ✓ Slurred speech
- ✓ Unsteady walk/impaired coordination
- ✓ Relaxed inhibitions
- ✓ Preoccupation with drinking
- ✓ Hidden bottles
- ✓ Alcohol odor on breath

## Forms

Alcoholic beverages.

## Dangers

Addiction, accident resulting from impaired ability, overdose when mixed with other depressants (see Depressants), liver damage, heart disease, potentially fatal withdrawal.
