

## **GRADUATION RATE**

---

The overall graduation rate is also known as the “Student Right to Know” or IPEDS graduation rate. It tracks the progress of students who began their studies as full-time, first-time degree or certificate seeking students in the fall 2021 to see if they complete a degree or other award within 150% of the “normal time” to complete the program in which they are enrolled.

Note: Not all students at this College are tracked for these rates. Students who have already attended another postsecondary institution or who began their studies on a part-time basis, are not tracked for this rate.
