

FIRST-TO-SECOND YEAR RETENTION RATES

Retention rates measure the percent of first-time full-time and first-time part-time students who return to the College to continue their studies the following fall. These rates only measure first-time students never having attended college before. Therefore, these rates do not reflect an accurate retention rate of the entire student body. Please contact the College's Campus Director for more accurate retention rates for the entire student body.

Percentage of Students Who Began Their Studies in Fall 2022 and Returned in Fall 2023

SHEFFIELD VILLAGE CAMPUS

Retention Rate for first-time full-time students	69%
Retention Rate for first-time part-time students	33%

SANDUSKY CAMPUS

Retention Rate for first-time full-time students	20%
Retention Rate for first-time part-time students	29%

DAYTON CAMPUS

Retention Rate for first-time full-time students	84%
Retention Rate for first-time part-time students	100%

* This is the most recent information the institution reported to the National Center for Education Statistics through IPEDS reporting. Please visit the College Navigator Website at: <http://nces.ed.gov/collegenavigator> for more statistical information about the institution.
