

NET PRICE CALCULATOR POLICY

In accordance with the Higher Education Act of 1964 (HEA), as amended (20 U.S.C. 1015a), beginning on October 29, 2011, each postsecondary institution in the United State that participates in Title IV federal student aid programs and enrolls full-time, first-time degree or certificate seeking undergraduate students is required to post a net price calculator on its website. This calculator uses institutional data to provide **estimated** net price information to current and prospective students and their families based on a student's individual circumstances.

Ohio Business College uses the U.S. Department of Education's net price calculator template to produce the annual Net Price Calculator and post on the OBC.edu website.
