

STUDENT WITH SPECIAL NEEDS

Special classroom needs must be submitted in writing to the Campus Director eight weeks prior to the start of the quarter.

Students with special needs are responsible for making these needs known to the college upon application and acceptance. Students with special needs that might interfere with their performance should contact the school at the beginning of the course with the appropriate documentation. Reasonable/equitable efforts will be made to accommodate such students, and in all cases prior arrangements must be made to ensure that any special needs can be met in an economical and timely fashion.

For students who are pregnant, refer to the Pregnancy Policy and Other Related Issues policy.
